Sarah picks out 8 ingredients that Ruth and Hart can choose from later.

In addition to the grid interface, Sarah can also search through the ingredients.

Sarah checks over her ingredient list.

Sarah calls the children over.

children use the
iphone

Puppy asks Ruth
what she wants to
eat today.

Puppy also tells Ruth that he wants to eat mushroom today.

Now it's Hart's turn to choose his favorite ingredients.

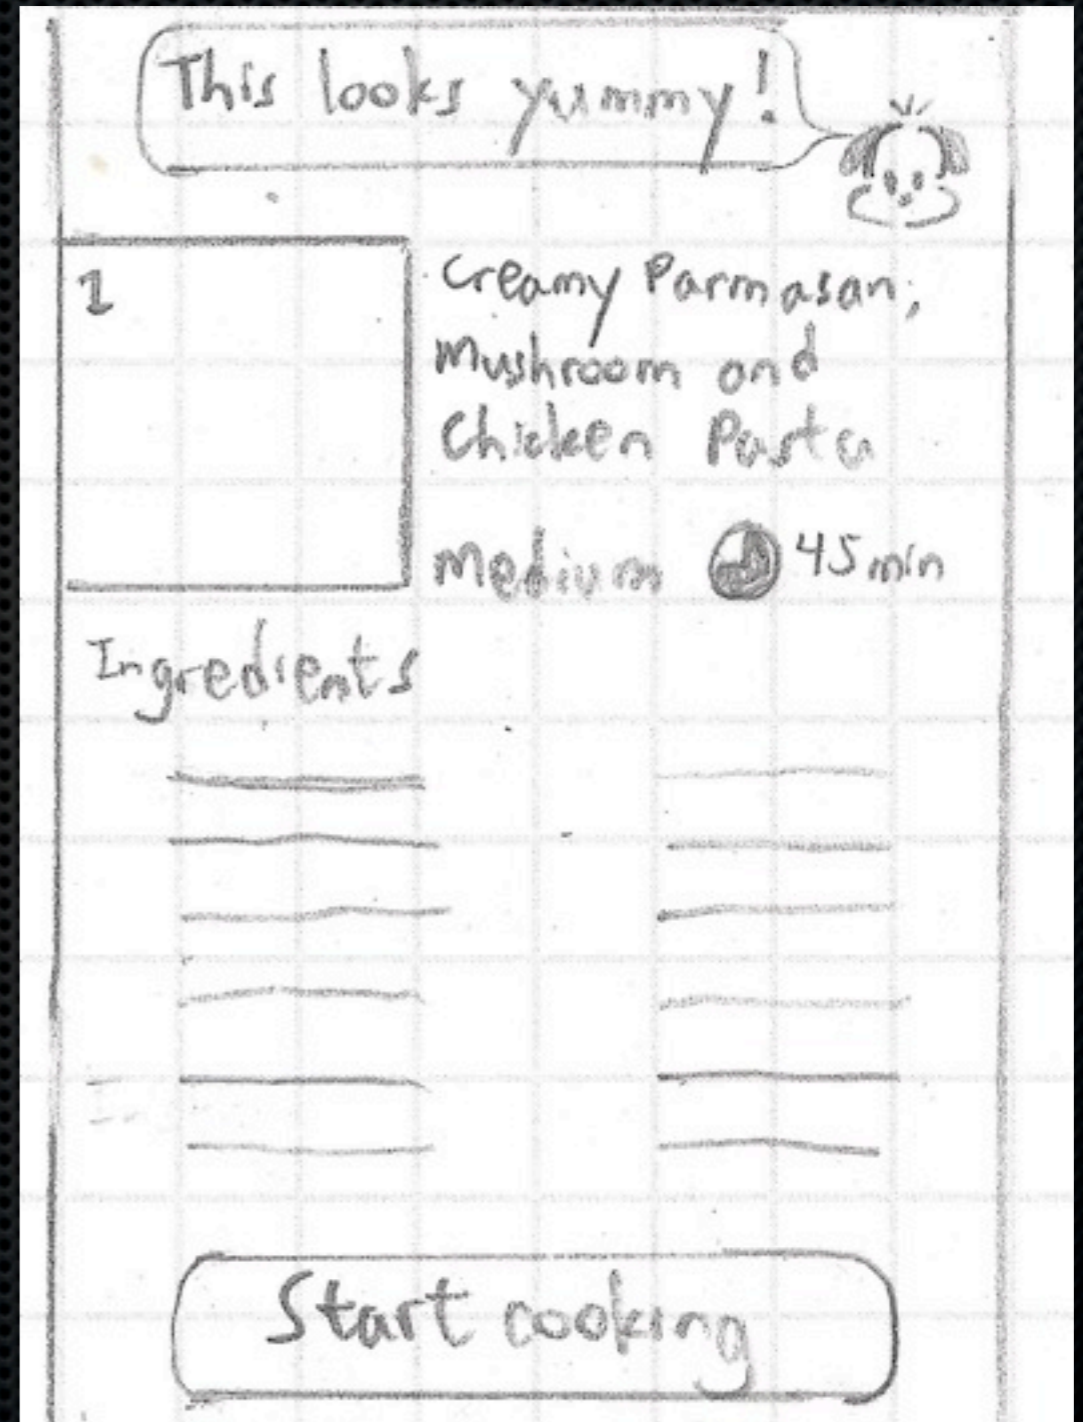

Puppy makes suggestions on what can be made using the ingredients.

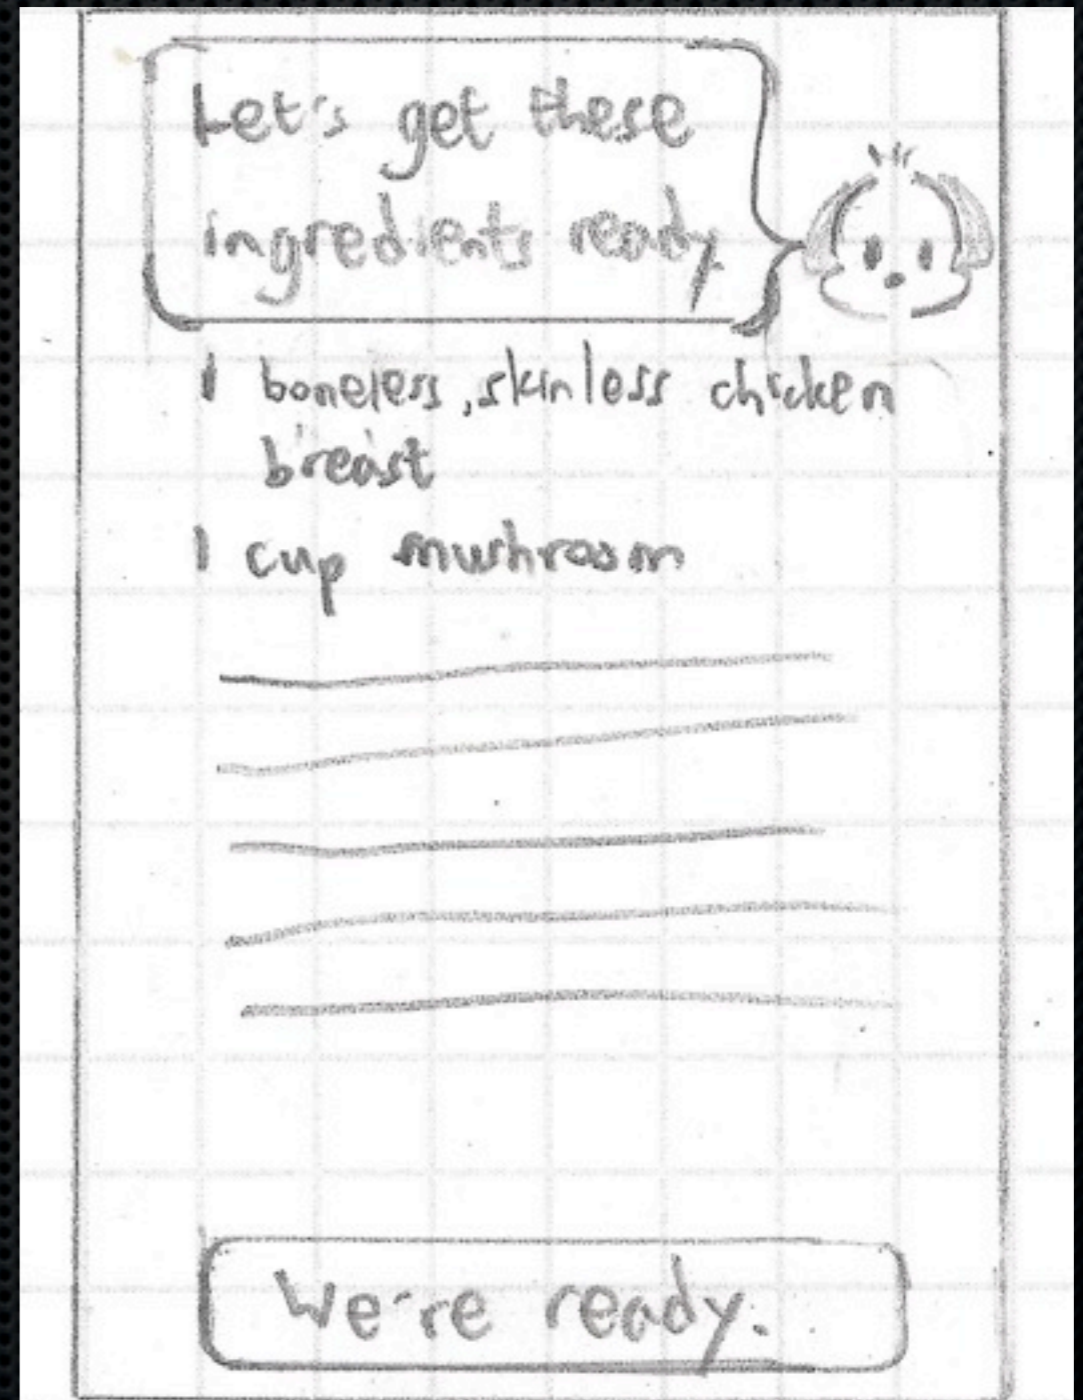

Let's cook one of these recipes 

1	Creamy Parmesan, Mushroom and Chicken pasta >	Medium  45 min
2	Baked Macaroni and Cheese with Chicken and Mushroom >	Medium  45 min
3	Easy Mac n' Cheese with Mushroom >	Easy  15 min

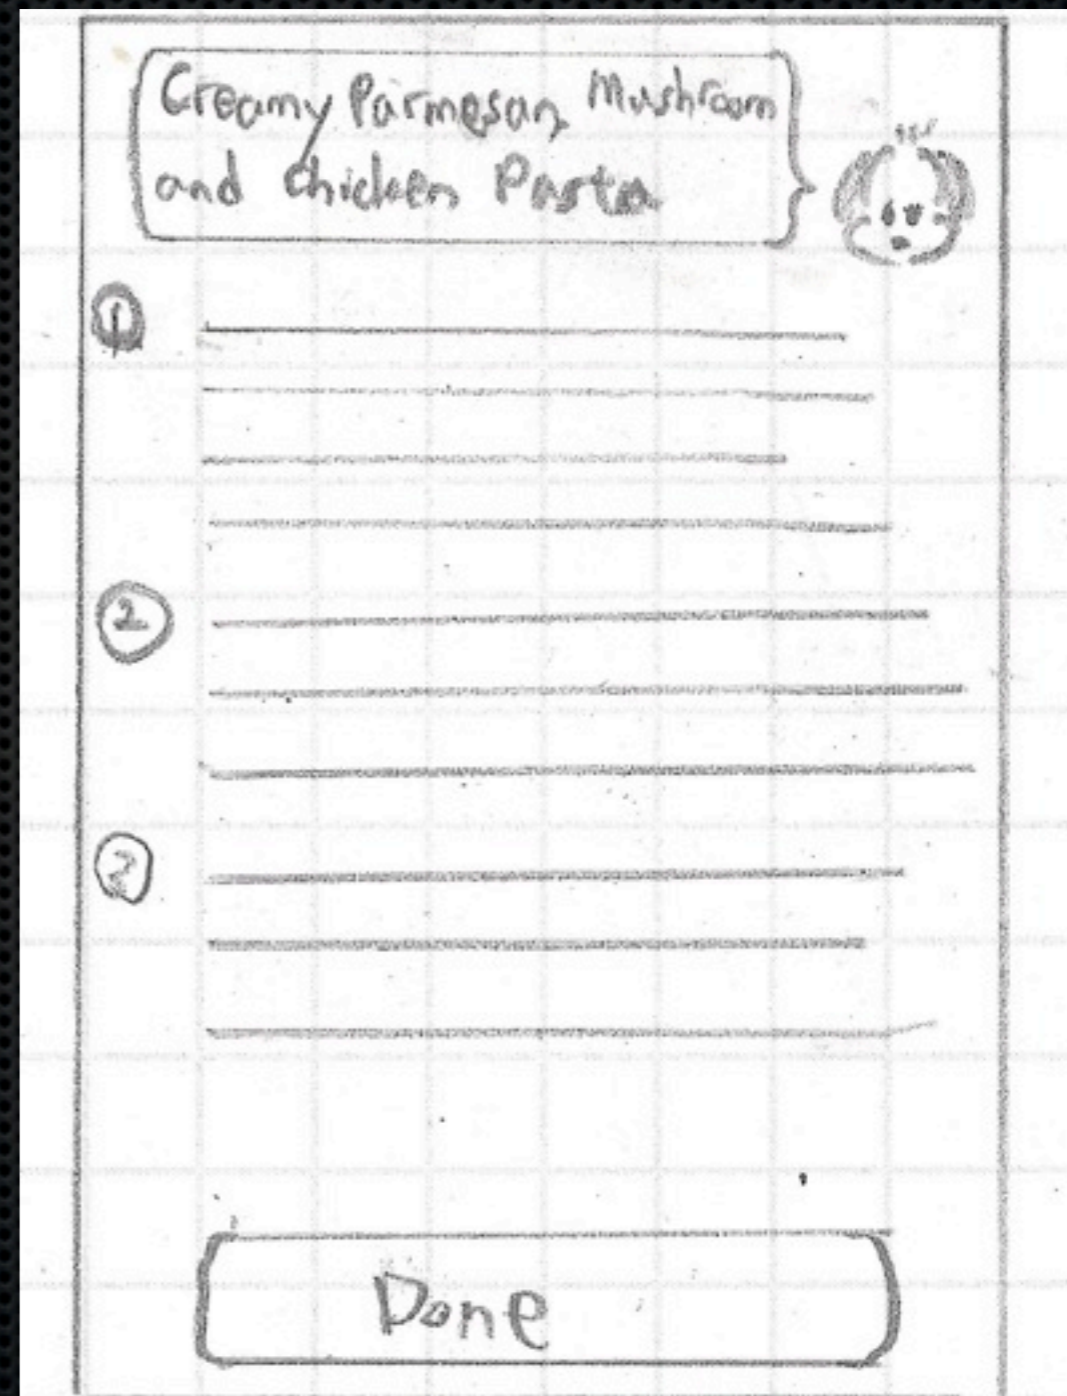

Ruth, Hart and Sarah collectively pick out a recipe.

Ruth and Hart help to
grab the ingredients.

Puppy lists the steps to cook the dish.

Sarah gives points to Ruth and Hart based on their behaviors.
